School Attendance- Is my child too ill for school? Advice from NHS online

It can be tricky deciding whether or not to keep your child off school or nursery when they're unwell. There are government guidelines for schools and nurseries about managing specific infectious diseases at GOV.UK. These say when children should be kept off school and when they shouldn't. If you do keep your child at home, it's important to phone the school on the first day. Let them know that your child won't be in and give them the reason.

If your child is well enough to go to school but has an infection that could be passed on, such as a cold sore or head lice, let their school know

Other illnesses - Coughs and colds

It's fine to send your child to school with a minor cough or common cold. But if they have a fever, keep them off school until the fever goes.

Encourage your child to throw away any used tissues and to wash their hands regularly.

High temperature

If your child has a high temperature, keep them off school until it goes away.

Chickenpox

If your child has chickenpox, keep them off school until all the spots have crusted over. This is usually about 5 days after the spots first appeared.

Conjunctivitis

You don't need to keep your child away from school if they have conjunctivitis.

Do get advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.

Ear infection

If your child has an ear infection and a high temperature or severe earache, keep them off school until they're feeling better or their high temperature goes away.

Sore throat

You can still send your child to school if they have a sore throat. But if they also have a high temperature, they should stay at home until it goes away.

A sore throat and a high temperature can be symptoms of tonsillitis.

Vomiting and diarrhoea

Children with diarrhoea or vomiting should stay away from school for 2 days after their symptoms have gone.

ADVENT CHALLENGE

Can you help us to support our community this Christmas?

Every day that school is open during Advent, we are going to try to fill our shopping trolley for Daventry Food Bank. If you can, please add an item to your shopping trolley which you can then donate to our shopping trolley.

Choose a day to donate on and ask your child to add your item to the trolley. We'll keep you updated - via social media - as to how well we're doing.

Your kindness is the best Christmas gift

Energy and Food Poverty Project

This project aims to support people of pensionable age, living in the west of Northamptonshire, who are unable to heat their homes sufficiently or buy appropriate food or need help to manage more cost-effectively.

Funding has been provided by the Department for Work and Pensions (DWP) as part of the wider package of support through the Household Support Fund (HSF). The sponsor of this project is West Northamptonshire Council.

We encourage other voluntary organisations to apply for the electronic small-value vouchers on behalf of older people they support who live in West Northamptonshire.
