Head Teacher's Welcome

This year, we are developing the children's oracy as a way of further improving their future life chances.

There is a great deal of research that shows that improving children's oracy skills improves their chances in life, as well as their wellbeing now and in the future. We also know that developing children's oracy skills will help to further develop their ability to learn. Put simply, learning through talk helps children to learn more.

Throughout this newsletter, you can find more information about this new initiative. Later in the year, we will be hosting a parent learning event where you can come along and find out more. In the meantime, you can contact Mrs Wagg or Miss Prosser (our Oracy Champions) for more information.

A FOCUS ON ORACY

Oracy is one of the golden threads in our school curriculum, which aims to help every child to become an aspirational changemaker.

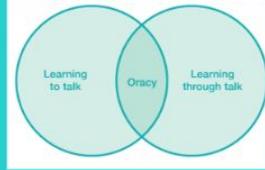

What is oracy?

Oracy is a combination of learning to talk and learning through talk.

Oracy improves children's outcomes in all areas of learning. It also improves wellbeing and instills confidence, enabling all children to have a voice and to be heard. Oracy equips children with the skills they to be active members of the wider community.

Children will be taught specific speaking and listening skills in all lessons. Talk will be used as a central part of their learning across the curriculum. Learning through talk will be visible in all subjects across our curriculum.

We'll be providing you with lots of information and the chance to join us to find out more!

Oracy increases engagement in learning

Learning is rich and enjoyable when students bring their own voice and experiences to school life.

Oracy improves academic outcomes

Developing learners who can think critically, reason together and have the vocabulary to express their knowledge and understanding.

Oracy fosters wellbeing and confidence

Empowering students to build successful relationships and realise their voice has value.

Oracy supports transitions and enhances employability

Oracy helps young people flourish in further, higher education or employment.

Oracy equips students to thrive in democratic and civic life

Citizenship requires us to express our views & listen kindly and critically.

Oracy promotes social equity

Leading to a fairer society where everyone, regardless of background, finds their voice for success in school and in life.

Please Park Considerately

Some parents have complained about cars being parked on zig zag lines, kerbs and corners. This endangers other road users, pedestrians and our children.

Please keep our children safe by parking safely.

WHAT OFSTED SAID (JULY 2022):

BEHAVIOUR AND ATTITUDES ARE GOOD

A focus of the OFSTED inspection was behaviour, and the team thoroughly inspected standards in this area. They observed behaviour in classrooms, on the playground and around school. They spoke to lots of children and parents. Here's what they found:

'The Grange School is a warm and friendly school.'

'Pupils enjoy their learning and are proud of their school. They know that staff care for them and listen to them. This helps pupils to feel safe.'

'Staff commit to knowing each pupil individually. Relationships between staff and pupils are positive. Pupils are polite and respectful. They play happily together during their breaktimes. Pupils behave well and the atmosphere in school is orderly and calm. Pupils know that bullying is not tolerated, and they know that staff are quick to deal with any concerns.'

As always, we are keen to improve further and so, joined the Behaviour Hubs Programme in April of last year.

Over the Summer Term, we reviewed our Behaviour Bands, in attempt to make them more simple for the children to understand. We launched these in July and have revisited them already this term.

Parents tell us they want to be informed as soon as possible if their child's behaviour deteriorates. Whilst it is not appropriate to tell you of every small incident that takes place, we will tell you if your child's behaviour is causing concern. This could be by telephone, face to face or via a letter from the Behaviour Lead / Head Teacher.
